**SEPI Engineering Group Announces
New Raleigh Surveying Division Manager**
Jon Davis Joins Local Engineering Firm

RALEIGH, N.C. – Sepi Asefnia, president of SEPI Engineering Group, a firm which provides civil engineering and planning services to private and public sector clients across the Southeast, has announced that Jon Davis has been named Raleigh surveying division manager. In this position, Davis will oversee the day-to-day land surveying process while managing and surveying numerous commercial and residential properties. He will be responsible for growth and client maintenance of the surveying operations. Davis has more than 24 years of experience in the land surveying field. He is a registered surveyor in North Carolina and South Carolina, and is a member of the North Carolina Society of Surveyors. His experiences range from NCDOT projects, medical facilities and municipalities to residential and commercial development. Davis holds a Bachelor's Degree in Business Management from High Point University.
